

# KDOT BLUE BOOK | SUMMARY OF CHANGES

## TRANSPORTATION PLANNING

### Rail Planning

111 Rail Systems Planning

### Aviation Planning

121 Aviation System/Airport Planning

### Port and Waterways Planning

131 Port and Waterway Systems Planning

### Bicycle & Pedestrian Planning

141 Bicycle and Pedestrian Facilities Planning

### Public Transit Planning

151 Public Transit Facilities and Systems Planning

### Transportation Facilities Planning

161 **Corridor/Area Planning and Studies**

162 Long Range Planning

163 **Congestion Management/ITS**

### Environmental Impact Studies

171 Environmental Documentation

172 Site Assessments

173 Noise Impact Analysis

174 **Habitat and Biological Assessment**

### Transportation Enhancement Planning

181 Corridor Enhancement/Scenic Byways

182 Parks and Recreational Planning

## TRANSPORTATION ENGINEERING & DEVELOPMENT

### Pre-Construction Engineering & Project Management

201 Discovery Phase – Design Concept Study

203 Value Engineering

211 Highway Design – Major Facility

212 Highway Design – Minor Facility

221 Complex Structural Design

222 Structural Design

### Traffic Engineering

231 **Traffic Control Analysis and Design**

### Construction Inspection and Testing

241 Construction Inspection and Testing

## PROFESSIONAL-TECHNICAL SUPPORT SERVICES

### Surveying

301 Land Surveying

302 Engineering Surveying

### Geotechnical & Materials Testing

311 Geotechnical Engineering Services

312 Materials Laboratory Testing Services

### Bridge Evaluation Services

321 Bridge Structural Analysis

322 **Bridge Inspection**

323 **Underwater Bridge Inspection**

324 Bridge Deck Evaluation

325 Hydraulic and Hydrologic Studies

### Specialty Services

331 Aerial Photogrammetry

332 Travel Studies

333 Geotechnical Specialty Services

334 Sub-Surface Utility Engineering

335 Railroad Infrastructure Design

336 Right of Way Services

337 **Pavement Design**

338 **Pavement Design Coring**

### Architectural and Other Professional Services

401 Landscape, Seeding & Erosion Control

402 Landscape Architectural Design

411 Pedestrian and Bicycle Facility Design

412 Parks and Recreational Design

421 Architectural Design

431 Water and Wastewater Engineering

441 Maintenance Equipment, Materials and Methods
