

K-18/I-70
Interchange Project
Geary County

Join us at an upcoming
OPEN
HOUSE

 **ADD YOUR VOICE**

The Kansas Department of Transportation (KDOT) wants your input on a project to improve the K-18/I-70 interchange. We are hosting an open house to explain:

- Why KDOT is making changes to the interchange
- When KDOT is expecting to start and finish construction

This will be a chance for you to learn more about the project and share your thoughts.

PROJECT CONTACTS:

Ashley Perez

ABOUT THE PROJECT

The Kansas Department of Transportation (KDOT) is making improvements to the K-18/I-70 interchange in Geary County. You will still be able to use the existing interchange and bridge through construction. Here are some features of the project:

- The exit and entrance ramps on the K-18 side of the interchange will be improved.
- Eastbound I-70 will be getting an auxiliary lane. This new lane will make it safer for drivers to merge onto and off the highway.

Meeting information can be made available in alternative languages or accessible formats by contacting 785-296-3585. Use extension 711 for voice/hearing impaired. Submit requests at least one week prior to the meeting.
