KANSAS STATEWIDE CERTIFICATION PROGRAM

Thank you for your interest in being certified as a disadvantaged business with the State of Kansas. The Kansas Statewide Certification Program (KSCP) is a joint effort between the Department of Transportation, Office of Civil Rights Compliance, and the Department of Commerce, Office of Minority and Women Business Development

To be certified as a Disadvantaged Business Enterprise (DBE) an applicant must meet the following criteria:

1. The disadvantaged owner must be a citizen of the United States or have been lawfully admitted as a permanent U.S. resident.
2. The applicant firm must meet USDOT size standards and be an independent and viable for-profit business.
3. Fifty-one percent of the business must be owned and controlled by a socially and economically disadvantaged person. To be regarded as economically disadvantaged, an individual must have a personal net worth that does not exceed \$1.32 million.

To properly evaluate eligibility, the firm must provide a current financial statement and the most recent three years tax return for both the company and the majority owner(s).

A completed, signed and notarized USDOT Uniform Certification Application should be submitted with all required supporting documentation. A list of required documentation is included with the application. It is important that each question is answered completely or, if not applicable, designated "N/A." If required information is not provided, a written explanation must be included. Upon receipt of the application and all supporting documents, the applicant will be contacted concerning an on-site interview.

If the applicant business is located out-of-state, and the company is certified through their home state, a copy of the certification must be submitted with the application.* Our office will secure a copy of the most recent on-site report from the home state certifying agency. A completed application, and supporting documents, are required for all out-of-state applicants' initial certification. In lieu of completing a new application, we will accept a copy of the application package submitted to the home state if all information is current and correct. A telephone interview may be deemed necessary after receipt and review of the home-state on-site report.

Notification of acceptance or denial will be mailed to the applicant. If accepted, the certification is valid until the firm graduates the program or is removed for non-compliance. Annual updates are required, and every three years new on-site interviews will be conducted. Certified businesses are listed in a directory that is available on the Department of Transportation website at www.ksdot.org/divadmin/civilrights/. Please be advised that certification does not guarantee additional business or contracts.

Roadmap for Applicants

1. Should I apply?

You may be eligible to participate in the DBE/ACDBE program if:

- The firm is a for-profit business that performs or seeks to perform transportation related work (or a concession activity) for a recipient of Federal Transit Administration, Federal Highway Administration, or Federal Aviation Administration funds.
- The firm is at least 51% owned by a socially and economically disadvantaged individual(s) who also controls it.
- The firm's disadvantaged owners are U.S. citizens or lawfully admitted permanent residents of the U.S.
- The firm meets the Small Business Administration's size standard and does not exceed \$23.98 million in gross annual receipts for DBE (\$56.42 million for ACDBEs). (Other size standards apply for ACDBE that are banks/financial institutions, car rental companies, pay telephone firms, and automobile dealers.)

2. How do I apply?

First time applicants for DBE certification must complete and submit this certification application and related material to the certifying agency in your home state and participate in an on-site interview conducted by that agency. The attached document checklist can help you locate the items you need to submit to the agency with your completed application. If you fail to submit the required documents, your application may be delayed and/or denied. Firms already certified as a DBE do not have to complete this form, but may be asked by certifying agencies outside of your home state to provide a copy of your initial application form, supporting documents, and any other information you submitted to your home state to obtain certification or to any other state related to your certification.

3. Where can I send my application? [INSERT UCP PARTICIPATING MEMBER CONTACT INFORMATION]

4. Who will contact me about my application and what are the eligibility standards? A transportation agency in your state that performs certification functions will contact you. The agency is a member of a statewide Unified Certification Program (UCP), which is required by the U.S. Department of Transportation. The UCP is a one-stop certification program that eliminates the need for your firm to obtain certification from multiple certifying agencies within your state. The UCP is responsible for certifying firms and maintaining a database of certified DBEs and ACDBEs, pursuant to the eligibility standards found in 49 C.F.R. Parts 23 and 26.
