! Your Input Matters!

The K-96 Improvements Project team updated project designs by incorporating ideas from public and stakeholder input. These changes are shown in callout boxes on the map.

Upgraded the I-135 northbound exit ramp to eastbound K-96 to two lanes to complete improvements to the interchange started during the Wichita North Junction Project.

See **HILLSIDE STREET** Interchange Board

Modified the eastbound exit ramp to Hillside St. and entrance ramp from Hillside St. to accommodate the new on-ramp from northbound I-135.
