

Summer 2024

## PROJECT OVERVIEW

The project expands K-68 to four lanes between U.S. 169 and Spring Valley Road, a distance of 6.68 miles. This expansion project is part of the Eisenhower Legacy Transportation Program (IKE) for KDOT District 4 (Southeast Kansas). Construction is expected to start in early 2025.

Previous K-68 improvements included widening the highway to a four-lane expressway between U.S. 69 and Spring Valley Road and constructing turn lanes and frontage roads along the corridor.

The latest project information will be made available on the project webpage: [ike.ksdot.gov/miami-county-k-68-expansion](http://ike.ksdot.gov/miami-county-k-68-expansion)

## PROJECT DETAILS

Length	6.68 miles
Scope	Final design
Status	Construction begins late 2025 or early 2026
Cost	\$67 million

**IKE—The Eisenhower Legacy Transportation Program**—is a roughly \$10 billion investment in the future of Kansas. This program and the transportation improvements it will deliver play a key role in our state’s economic recovery, putting Kansans to work and improving quality of life.
