Greetings:

The friendly people of Kansas present you with this highway map and a hearty invitation to visit the state.

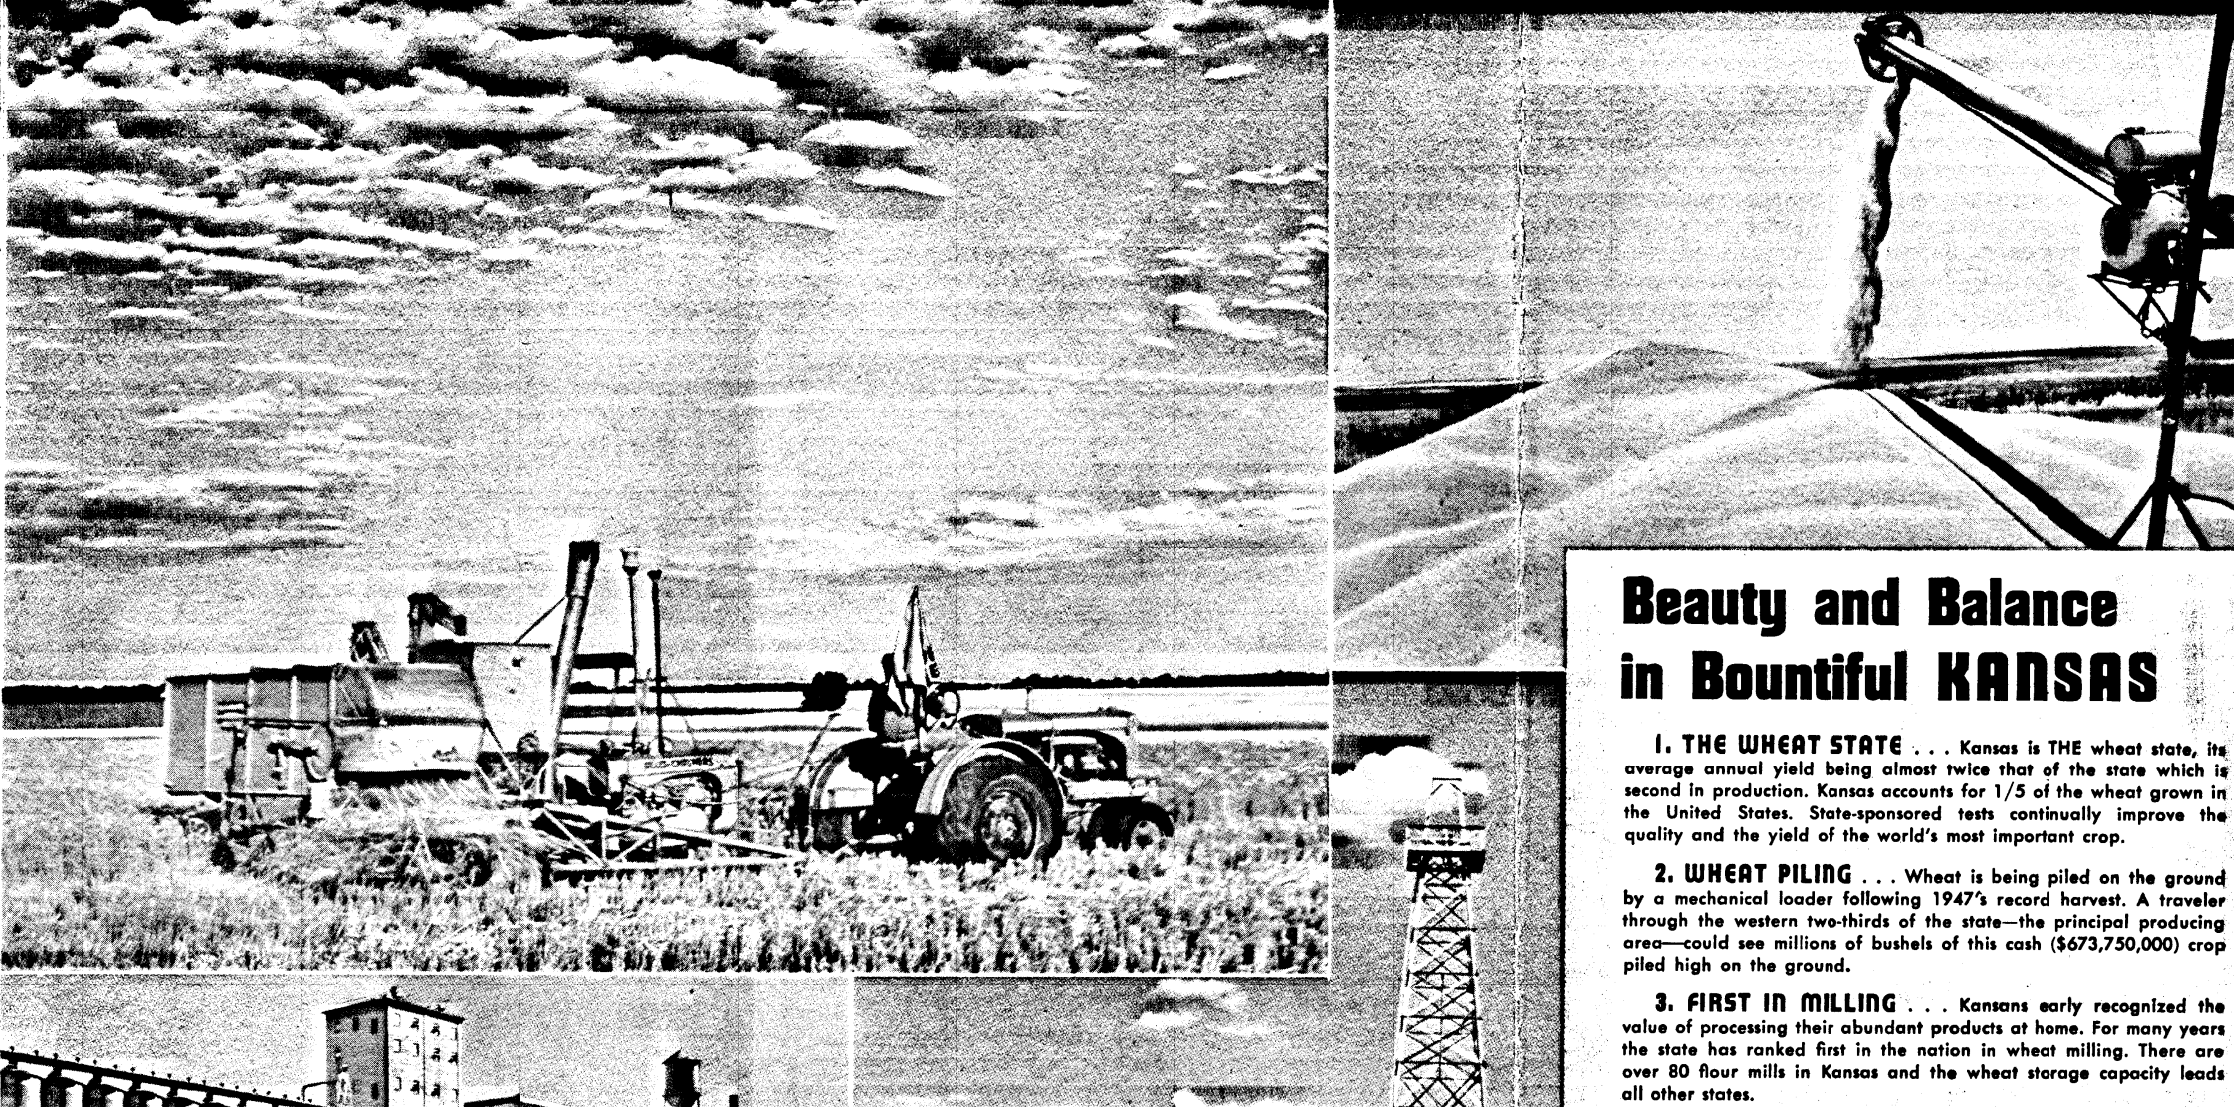

The colored illustrations in this folder typify the scenic interest and the wide opportunities in progressive Kansas.

Tremendous improvements have been made in our road system since the war years and a continuing program of high type construction and maintenance is planned.

Our sincere wish is that, with this map as your guide, you will find safe, comfortable and enjoyable travel in Kansas.

Cordially yours, ROY W. COX, Director of Highways
