Dear Kansas Traveler:

Welcome to Kansas, America's Central Park. Our state is alive with sites that will fill your travels with the richness and variety of our great state. This 1987 Official Kansas Transportation Map is dedicated to the Kansas Highway Patrol and its members—past and present—who have, for half a century, so faithfully served the critizens of Kansas and those traveling its highways.

You can relive the past in the old forts, historic towns, museums, or face the future a the Kansas Cosmosphere and Discovery Center in Hutchinson. You can enjoy our great outdoors, hunting, flishing, boating, camping or swimming in the Kansas State Parks. Experience our people through county fairs and community festivals, they will be glad to see you. Enjoy your travels through Kansas, and join us in remembering our Highway Patrol by driving and arriving safely at your destination.
