Did you know . . .

.....Kansas law requires each front seat occupant of a passenger car to have a safety belt properly fastened and all children under the age of 14, in any seat, must be properly restrained. Those children under four are required to be in a child passenger seat and those from 4 to 14 must use a safety belt.

Click it. Or ticket.

It's Kansas Law.

.....when approaching a stationary emergency vehicle from the rear that has its flashing lights operating, a driver shall move to a lane that is not adjacent to the emergency vehicle if the street has two or more lanes in each direction. If on a street or highway with only one lane in each direction, the driver shall reduce speed and proceed with due caution.

NOTICE

MOVE OVER OR SLOW DOWN FOR STOPPED EMERGENCY VEHICLE IT'S THE LAW

... that this new Speed Reduction sign will warn you of a reduction in the posted speed ahead.

... that this sign lets you know that there is a circular intersection ahead such as a roundabout. At the entry to the roundabout, look to your left to see if there is a gap in traffic. If there is not, you may need to stop. Always yield to traffic already in the roundabout. Always enter the roundabout to the right and travel counter-clockwise around the center island until you reach your exit.
