RE: KDOT Seeking host sites for **2025 NSTI** Program

Dear Educators:

The Kansas Department of Transportation (KDOT) is seeking an accredited college, community college, or university to host the 2025 National Summer Transportation Institute (NSTI) Programs.

The purpose of the NSTI is to promote awareness of Science, Technology, Engineering, and Math (STEM) educational and career opportunities among disadvantaged and at-risk middle and high school students. The Federal Highway Administration (FHWA) is the funding and governing agency for the NSTI. KDOT is responsible for providing technical assistance, guidance, training, and support to participating institution host sites.

Institutions interested in hosting a Kansas NSTI program are encouraged to contact the KDOT Office of Civil Rights Compliance for additional information. The application and supporting documents will be provided after the FHWA funds are made available in early 2025.

Please contact the KDOT Office of Civil Rights Compliance with interest by **March 1, 2025**.
