**Safe Routes to School  
Activity and Coloring Book**

Hi! I'm Miles the K-DOG!  
Let's learn about Safe Routes to School!

# ***DRAW YOUR ROUTE!***

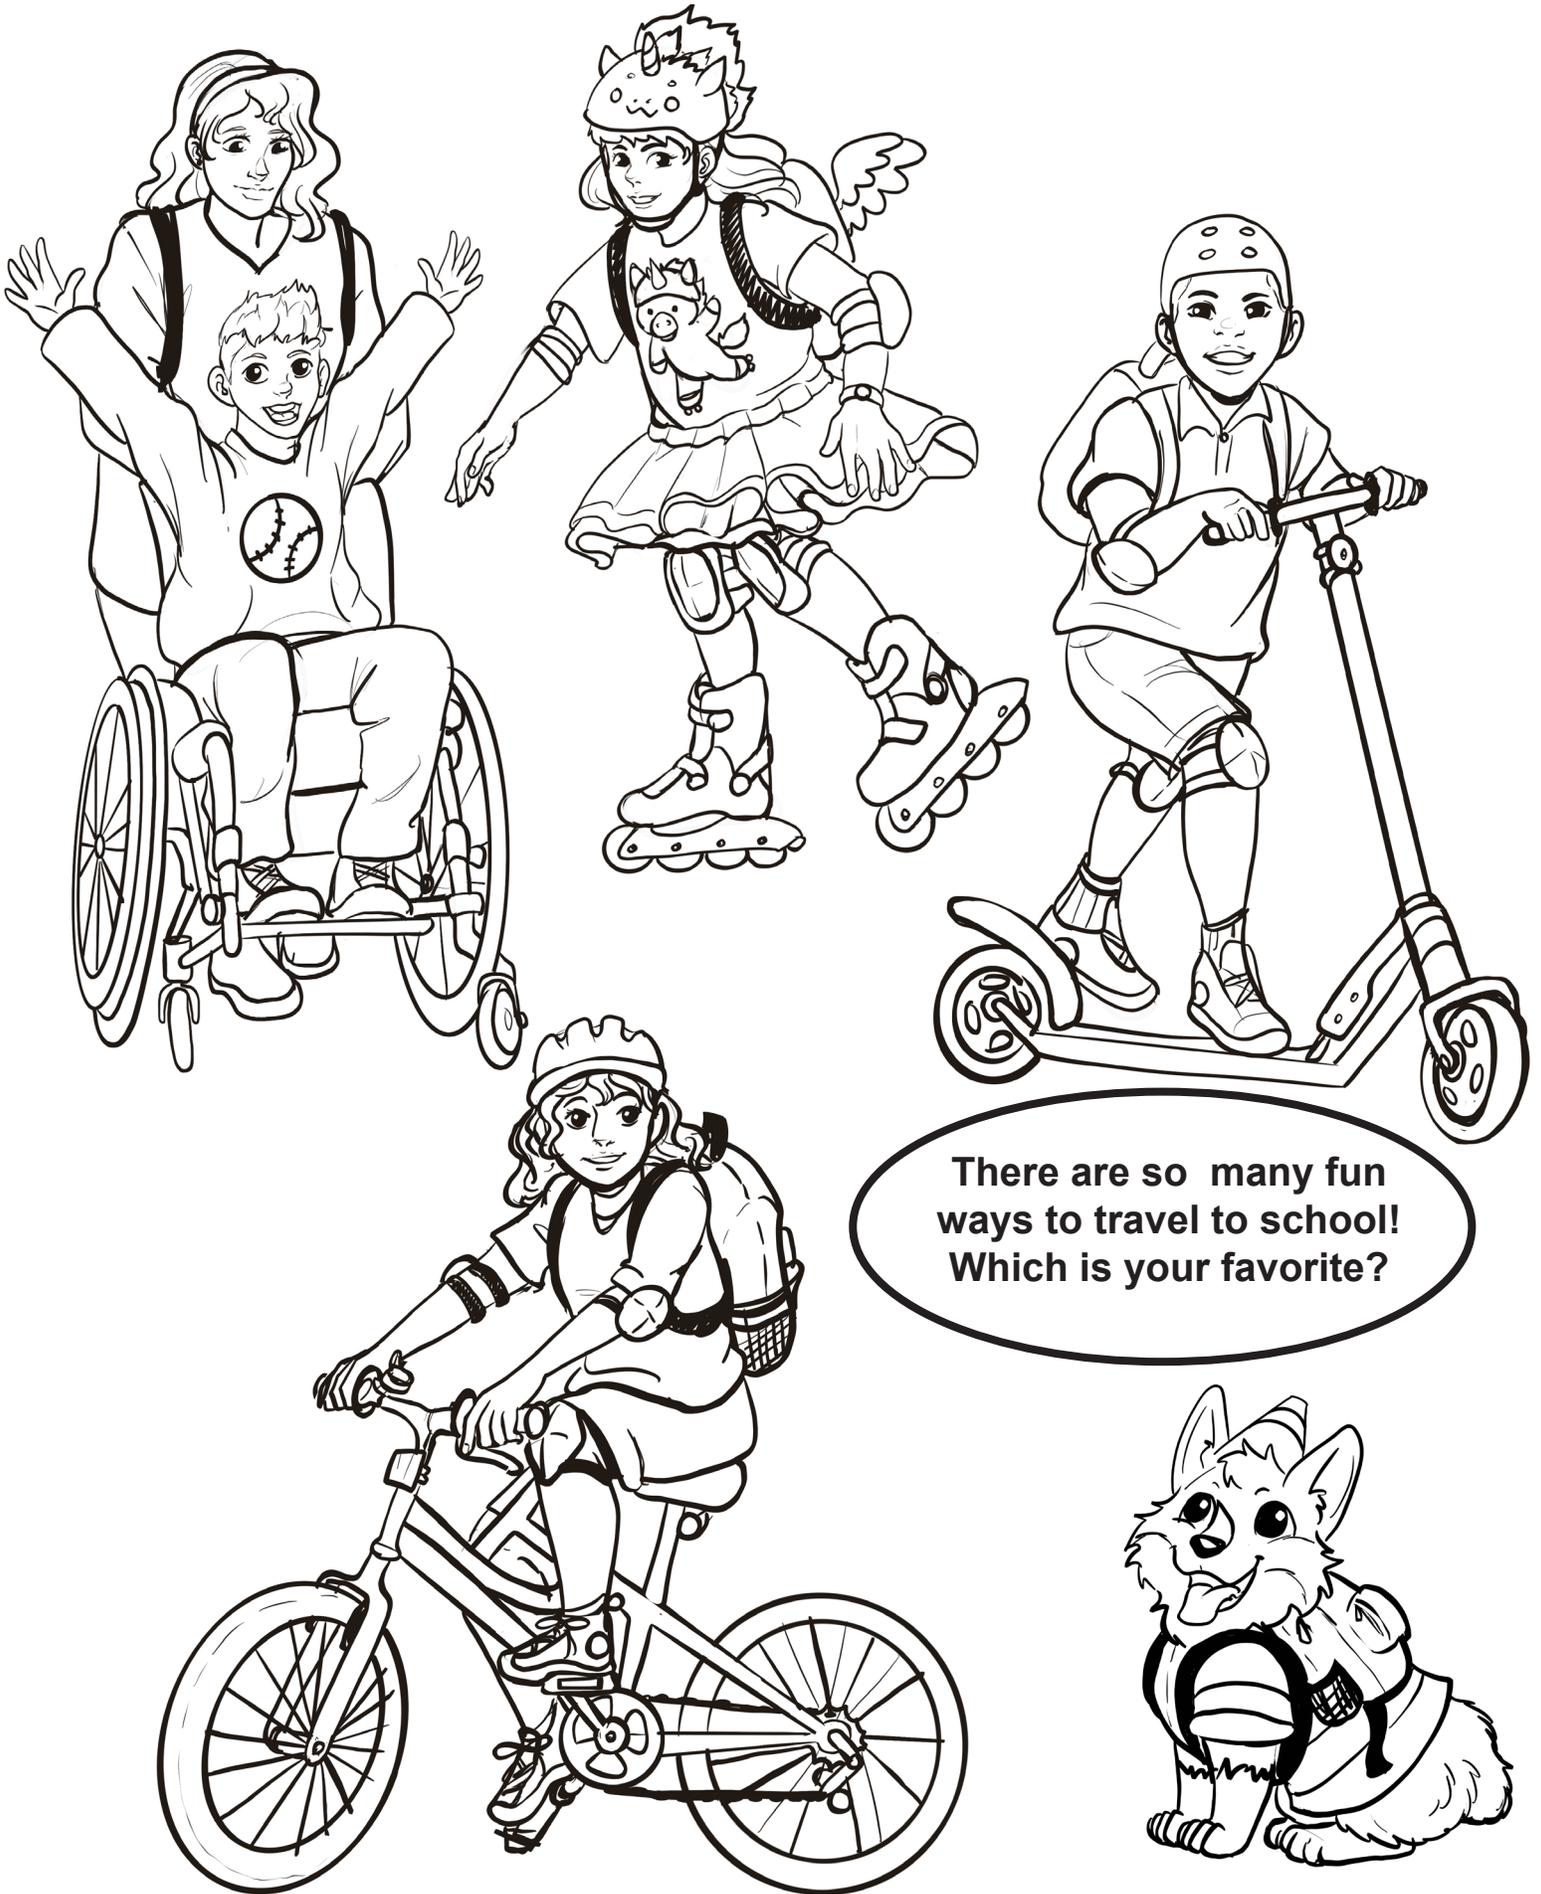

Can you remember  
crosswalks, traffic  
signals or safe places you  
can go?

Are there any fun landmarks  
along the way?

Use the space below to  
draw a map from your home  
to your school!

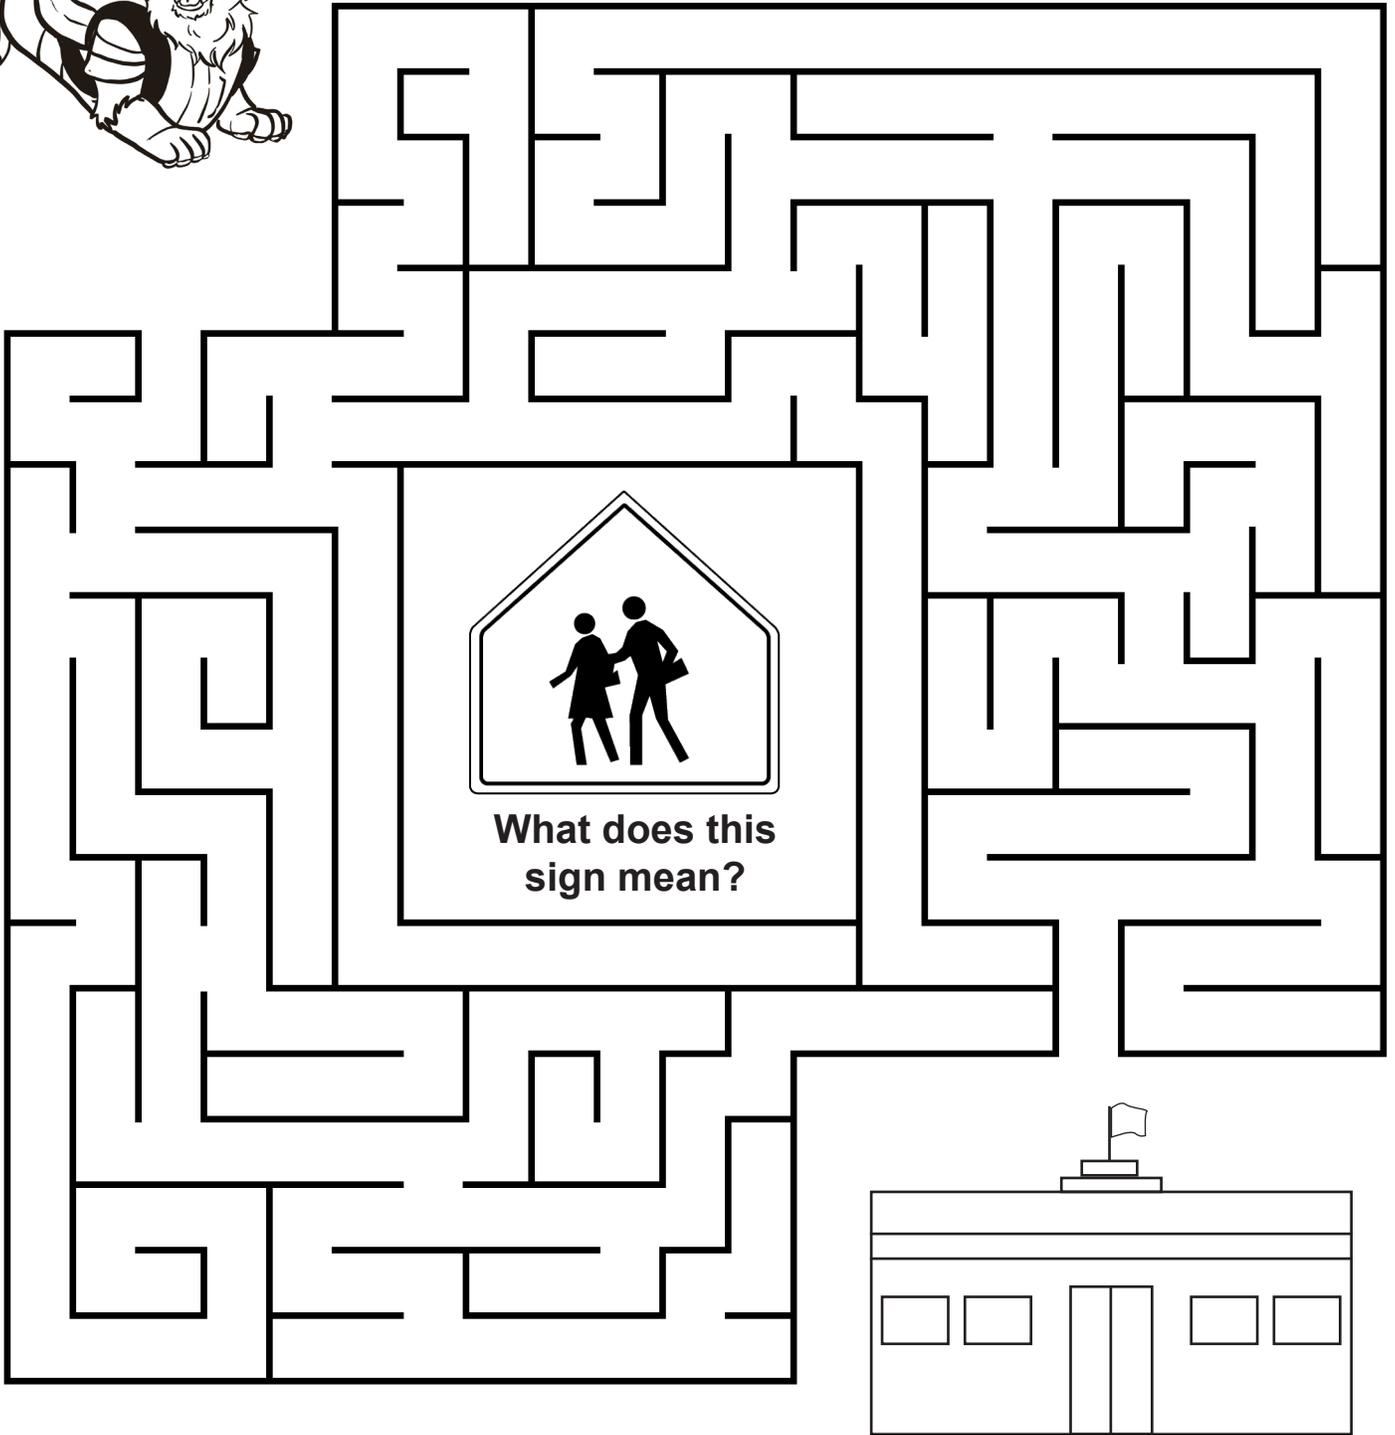

A large, empty rectangular box with a thick black border, intended for drawing a map from home to school.

**There are so many fun ways to travel to school!  
Which is your favorite?**

**Class starts soon and I need help!  
Can you help me make it to school safely?**

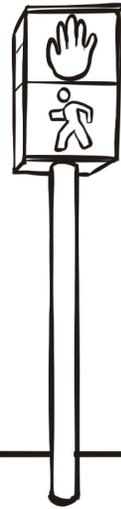

**Pay attention when you are walking.  
Youngsters should always cross the  
street with a responsible adult.**

**Remember to look LEFT,  
then RIGHT,  
then LEFT again  
before crossing.**

Once the way is clear,  
continue to pay attention as you use  
the crosswalk.  
Don't let anything distract you.

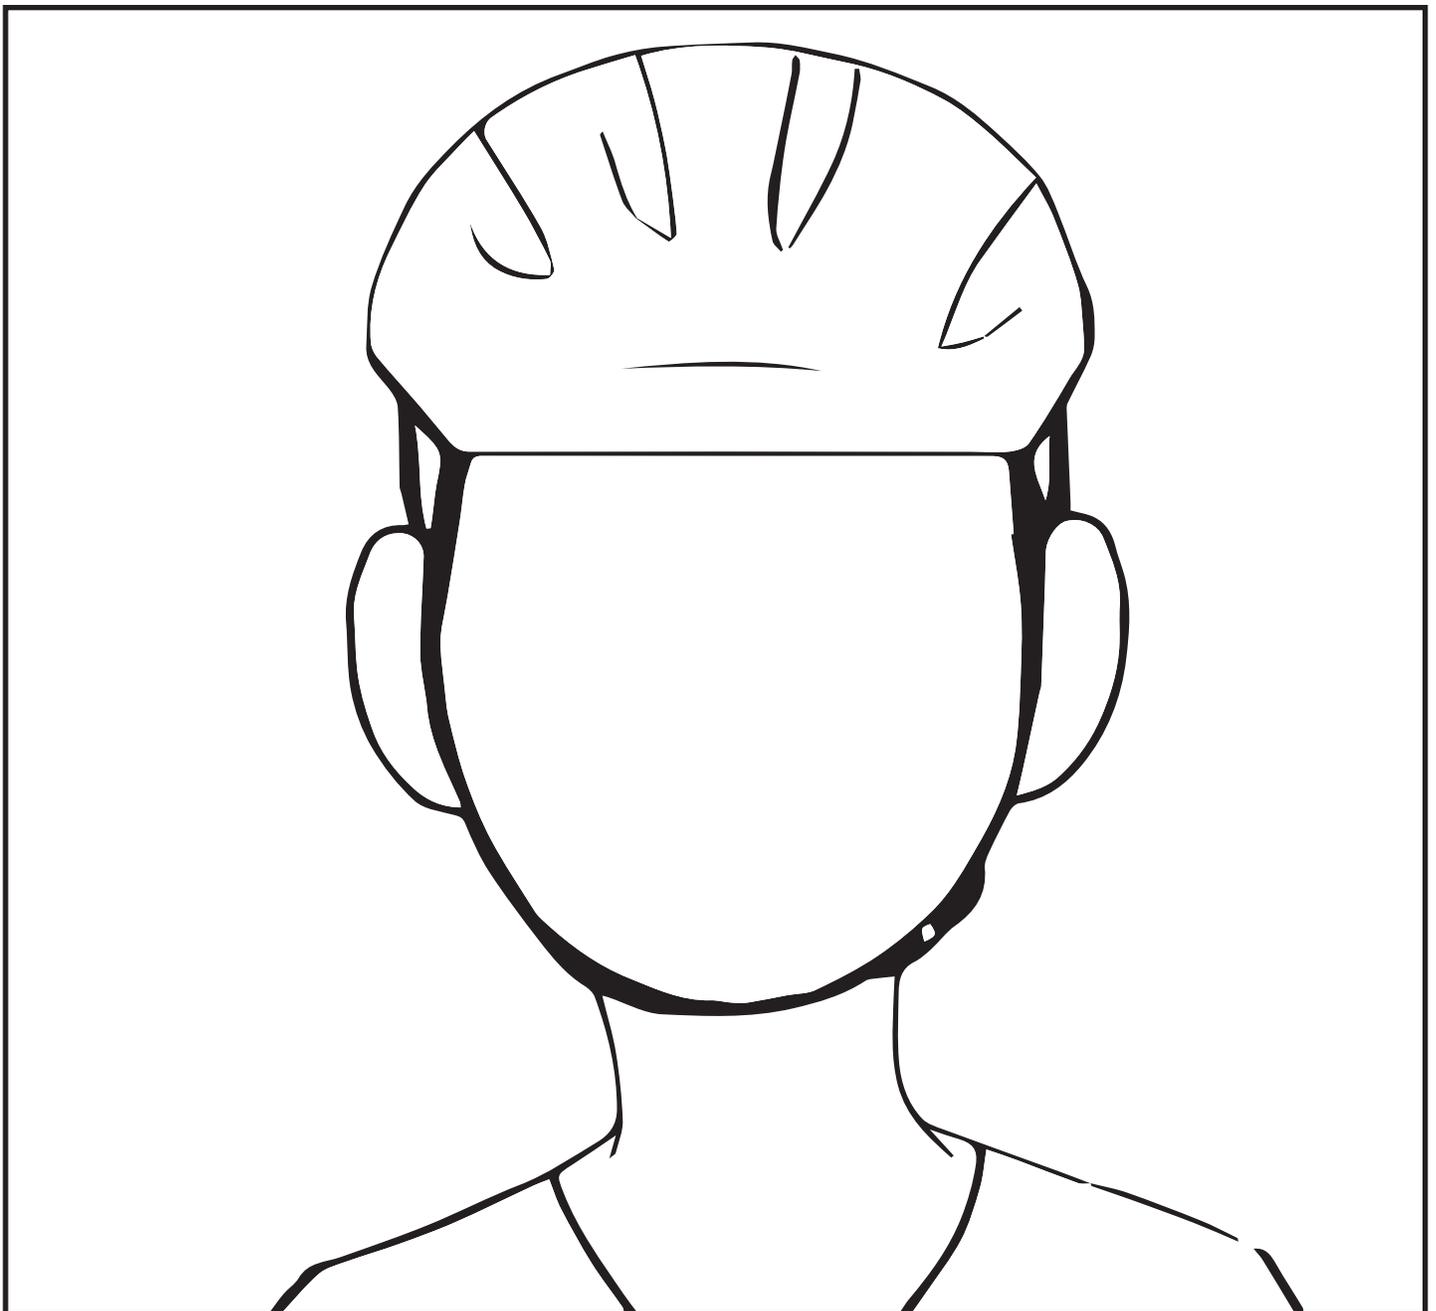

**Riding a bike can be so fun!**

**Whenever I ride on a bike,  
I always remember to wear a  
helmet.**

**It could save my life.**

**Draw yourself wearing a helmet  
below and decorate your own  
helmet!**

My friends and I pay attention to the world around us as we travel to school.

**We work together  
to make sure there  
are no rocks, holes or  
bumps in the way.**
